Such changes may include design, manufacture, assembly, arrangement or components of goods or equipment. Within five (5) business days after receipt of such change notification, SELLER shall submit a written proposal to COMPANY offering adjustments to the price, delivery schedule and performance requirements resulting from the proposed change. SELLER shall not proceed with any such change until both parties execute a written change order specifying any change in the contract price, delivery schedule, performance requirements and/or terms and conditions of this Contract.

SELLER shall give COMPANY at least forty-eight (48) hours' notice prior to the delivery of the Work. 10. TERMINATION FOR BREACH. If SELLER fails to deliver or fails to perform the Work required within the time provided under the Purchase Order or any mutually agreed upon extension of time, or if SELLER fails to perform any of the requirements of this Contract, COMPANY may terminate this Contract. All warranties of SELLER are in addition to any warranties provided by or through any Seller Affiliate.

- b. SELLER agrees to promptly pay the entire cost to remove, repair (or at its option to replace), and re-install without charge any defective Work that SELLER or any Seller Affiliate furnished or manufactured; provided that COMPANY notifies SELLER in writing of such alleged defect. SELLER shall complete repair and/or replacement as soon as possible, and shall include, at COMPANY'S sole discretion, all necessary premium time. If SELLER fails to commence or diligently perform repairs within a reasonably prompt time after being notified of any defect, COMPANY may perform such repairs itself or through its own contractors, and SELLER shall be responsible for all costs of such repairs, including any administrative time COMPANY incurs related to such repairs.

Before starting the Work, and at any time COMPANY so requests, SELLER shall furnish certificates satisfactory to COMPANY evidencing the required insurance. Neither performance under this Contract or any Purchase Order in connection therewith by SELLER nor any payment by COMPANY prior to receipt of such certificates shall abrogate SELLER'S duty to maintain the required insurance or to supply such certificates to COMPANY. COMPANY may amend the insurance requirements in these terms and conditions from time to time with sixty (60) days' notice to SELLER.

15. **PROPRIETARY INFORMATION:** All plans, drawings, specifications and the subject matter contained therein, and all other information given to SELLER in connection with performance of this Contract and any Purchase Order in connection therewith, involve valuable property rights of COMPANY, shall be held confidentially by SELLER, shall remain the property of COMPANY, and shall not be used by SELLER for any purpose other than those for which they are being prepared or supplied. In the event this Contract or any Purchase Order in connection therewith is terminated pursuant to Article 10 or 11 herein, SELLER shall deliver to COMPANY a complete set of the Company Project Documents within three (3) business days of such termination. Any dispute related to this Contract or any Purchase Order in connection therewith shall not preclude SELLER'S performance of its obligations under this Article 15.
16. **INDEPENDENT CONTRACTOR.** Neither SELLER, nor Seller Affiliate in performing such services for SELLER, shall be deemed to be the agent or employee of COMPANY, but shall be independent contractors.
17. **INDEMNITY.** To the fullest extent permitted by law, SELLER shall defend, indemnify and hold harmless COMPANY, and their respective officers, directors agents, employees, construction manager, and engineer ("Indemnified Parties") from and against all liabilities, damages or costs incurred by any of such Indemnified Parties arising from: (i) bodily harm, illness, death, or damage to any property caused by, arising from, or related to the acts or omissions of SELLER or Seller Affiliates in connection with the performance of the Purchase Order; (ii) SELLER'S or Seller Affiliates' willful misconduct or gross negligence in connection with this Agreement; (iii) SELLER'S breach of any of its representations or warranties herein or of the confidentiality provisions of this Contract; (iv) SELLER'S or Seller Affiliates' failure to comply with any applicable law; (v) any willful misconduct, gross negligence, or breach of the confidentiality provisions of this Agreement by any Seller Affiliate; (vi) the employment relationship between any employee and SELLER or the independent contractor relationship between SELLER and its independent contractors; (vii) claims of intellectual property or patent infringement arising from or related to the Work in any manner; and (viii) any liens, including mechanics' liens and other claims of SELLER'S subcontractors, suppliers, consultants, and employees arising out of the Work.

SELLER further warrants that the prices set forth in this Contract are the lowest prices charged for the Work, or substantially similar Work, sold by SELLER to its other customers. If, after execution of this Contract, but prior to payment by COMPANY for the Work purchased hereunder, SELLER (i) sells, or offers to sell, Work, or substantially similar Work, to another customer at a lower price, (ii) offers a reduction in price to any customer already purchasing Work,

or substantially similar Work, or (iii) sells, or offers to sell, Work, or substantially similar Work, on commercial terms that are, in COMPANY'S reasonable judgment, more favorable than those set forth in this Contract, such lower price or more favorable terms will be applicable to all purchases of Work by COMPANY hereunder. If, at any time during the term of this Contract, COMPANY receives a bona fide offer from a third party to supply the Work to COMPANY on similar commercial terms, but at a lower price, COMPANY may notify, and provide the necessary particulars of such offer to SELLER, and SELLER will, within, thirty (30) days thereafter, inform COMPANY whether it will match such price for the Work purchased hereunder. If SELLER does not agree to match such price, COMPANY may, in its sole discretion, elect to purchase the Work from such third party, and any obligation of COMPANY to purchase the Work from SELLER pursuant to the terms of this Contract will be deemed to be waived by SELLER to the extent of any such purchases. Upon request of COMPANY, SELLER will be required to certify that it is in compliance with the requirements of this Article. Except as expressly set forth in this Contract, COMPANY will have no obligation to purchase any specific quantity of Work from SELLER and COMPANY will be entitled, in its sole discretion, to purchase the same or similar Work from other suppliers. COMPANY expressly reserves the right to disclose the terms of this Contract, including but not limited to price, to third parties.

19. **AUDIT RIGHTS.** COMPANY will have the right to examine and audit (whether itself or through a third party hired by COMPANY), during normal business hours, any and all records, data and documents, in whatever shape or form, including, but not limited to, electronic media, that may contain information relating to SELLER'S obligations as set forth in this Agreement. Such records will be kept in a form that is clear and accurate and containing content sufficient and adequate detail to permit the aforementioned audit.
20. **DISPUTES.** Any dispute under or related to this Contract or any Purchase Order in connection therewith shall be resolved by litigation in the Federal District Court where COMPANY is located, and COMPANY and SELLER each consent to the venue and exclusive jurisdiction of such court. The prevailing party in any such dispute shall be entitled to recover from the non-prevailing party all reasonable costs of enforcing the terms in this Contract (including, without limitation, attorneys' fees) as part of the award resolving the dispute. SELLER shall continue to perform its obligations under this Contract and any corresponding Purchase Order pending the resolution of any dispute that may arise under or relate to this Contract or any corresponding Purchase Order.
21. **ASSIGNMENT AND USE OF SUBCONTRACTORS.** SELLER shall not assign this Contract or the Purchase Order or any right, obligation or interest in proceeds under this Contract or Purchase Order, without the written consent of COMPANY, and any attempted assignment without such consent shall be void. COMPANY may assign all or a portion of this Contract without the prior written consent of the SELLER. SELLER may use subcontractors to perform the Work provided that (i) COMPANY approves the use of the particular subcontractors in writing; (ii) any subcontract specifically incorporates the terms of this Contract by reference, including, but not limited to, the confidentiality provisions contained herein; and (iii) SELLER agrees to resolve disputes with any subcontractor(s) without involving COMPANY and without impeding the Work.
22. **WAIVER.** COMPANY'S failure to insist on performance of any term, condition, or instruction, or to exercise any right or privilege provided in this Contract, or its waiver of any breach, shall not thereafter waive any such term or condition, instruction, right or privilege.
23. **GOVERNING LAW.** This Contract shall be governed by the laws of the State of Delaware.
